AFRICA UPDATE: Pastor Keith Merriman, March 14

Dear beloved brethren,
Greetings in the Lord Jesus Christ.

Pastor Salomon is scheduled to speak at the United Nations again this year in June. We are planning for Salomon and Mary to be with us at National Conference. The Lord has already made it possible for them to have visas for America. But they would like to stop over in Paris for a week on their way to America to visit Salomon's brother who lives there. Would you please pray that France will issue visas for Salomon and Mary to be able to visit (they require them now).

Also a robber stole both Salomon and Mary's cell phones last week right out of Mary's hand while they were in their car. Salomon has reported this to the police and they are trying to track the cell phones to recover them. Please pray that they will be able to find those phones.

If you would like to have Salomon and Mary at your church please e-mail me as soon as possible to see if we are able to work it in his schedule while here in America.

Also the well that was providing water for Salomon and Mary's house has failed. They need to have a new well drilled. The Lord has provided the funds but they need wisdom to choose the right well drilling company in Cameroon. Please pray for wisdom for Salomon as he investigates the companies that drill wells.

Thank you for all your prayers and gifts for the Africa ministry.
God bless, Keith

We are thankful for the encouraging, successful, & edifying **Mid-Year meetings** of the **College of Pastors** (National Ministerium) of the **Conservative Grace Brethren Churches International (CGBCI)**, held from **March 10-13** at the Grace Brethren Chapel of Gibsonburg (Fremont), Ohio (host Pastors, Keith Merriman & Jonathan Edwards). It was a great blessing for the local Shepherds from around the country to be able to bask in each other's fellowship once again!
